

VOLUNTEER

Cat Guardians Needs Your Help!

Volunteers make our success possible by helping in and around our shelter, visiting pet stores, fund-raising and various other skills. If you love cats, you will be volunteering at the right place.

What are the benefits of volunteering?

- Spending time with cats and kittens who love attention
- Career experience
- Meeting friendly new people
- Volunteer recognition parties
- Free membership and t-shirt after only 24 hours of service
- Teamwork

If you are 18 years or older and want to make a difference, stop by the shelter during our open hours to get and fill out an interest form. You orientation training will be scheduled. You can help out.

**Thank you for supporting
the shelter!
The cats thank you, too!**

8th Annual Hope Art Auction

The Naperville Fine Art Center & Gallery has invited us back for our 8th year to hold a silent art auction on January 7, 2017. All items up for bid are cat themed: paintings, pictures, quilts, statues, jewelry and so much more.

Items are available for viewing at the gallery during the week starting January 6th. (You can check the gallery website for business hours <http://www.napervilleartleague.com/gallery.htm>). The silent auction is held at 2 pm on the 7th and winners can take home their new treasures.

Come and visit; perhaps you will find some of the items of interest. If you are an artist and interested in donating an item to be auctioned, contact the shelter and Liz Reichert will return your call. You can also email Liz at ElizabethReichert@Yahoo.com.
